# FOREWORD

The Imprint staff of 1958 is proud to present to you, the students of Allen Park High School, the best yearbook in the history of our school. We have endeavored to bring to you school life, as you live it, through photographs of the precious moments you won't want to forget. In our attempt to depict the best possible remembrance of your high school days, we have added sixty pages and adopted a larger size book. We have brought the beauty and brilliance of the homecoming pageant to you in full color. We have added many exciting candid shots in order that you might have a remembrance of noteworthy events in pictures. The staff has spent countless hours to produce a yearbook of which Allen Park High School will be proud to say . . . "This is our IMPRINT!"

### The People Behind The Scenes

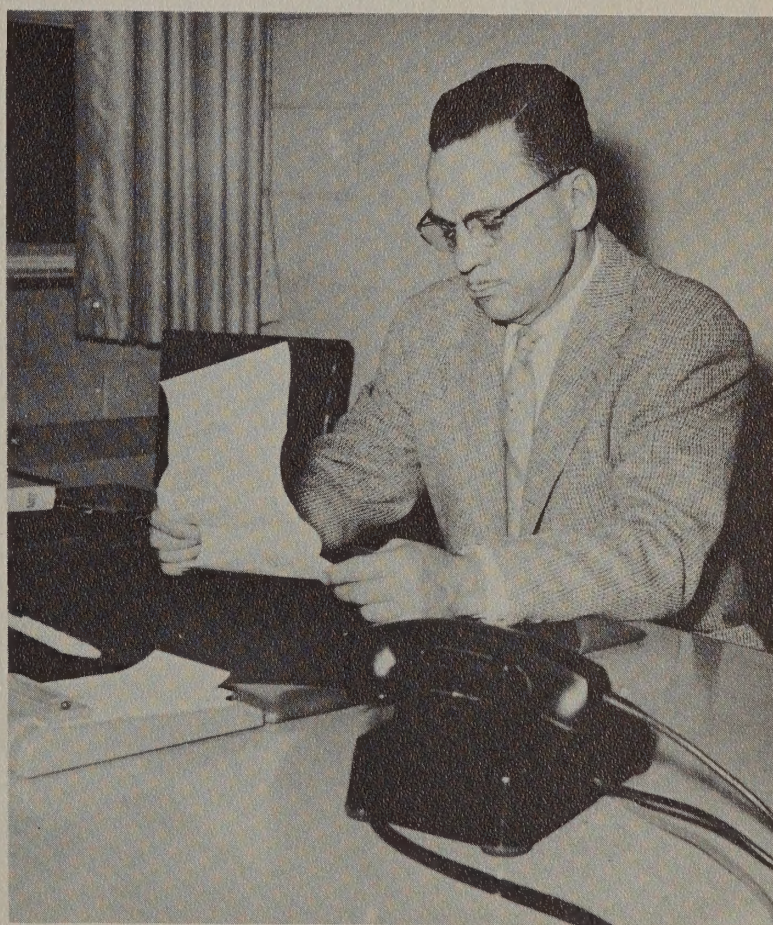

LEFT TO RIGHT: Mr. Harold P. Woertink, Trustee, Mr. Clifton W. Fellows, Trustee, Mr. Desmond T. Herbert, Trustee, Mrs. Lucile Collison, Treasurer, Mr. Osborne P. Dunn, Trustee, Mr. C. Hoyt Anderson, President, Mr. Charles H. Pretty, Secretary.

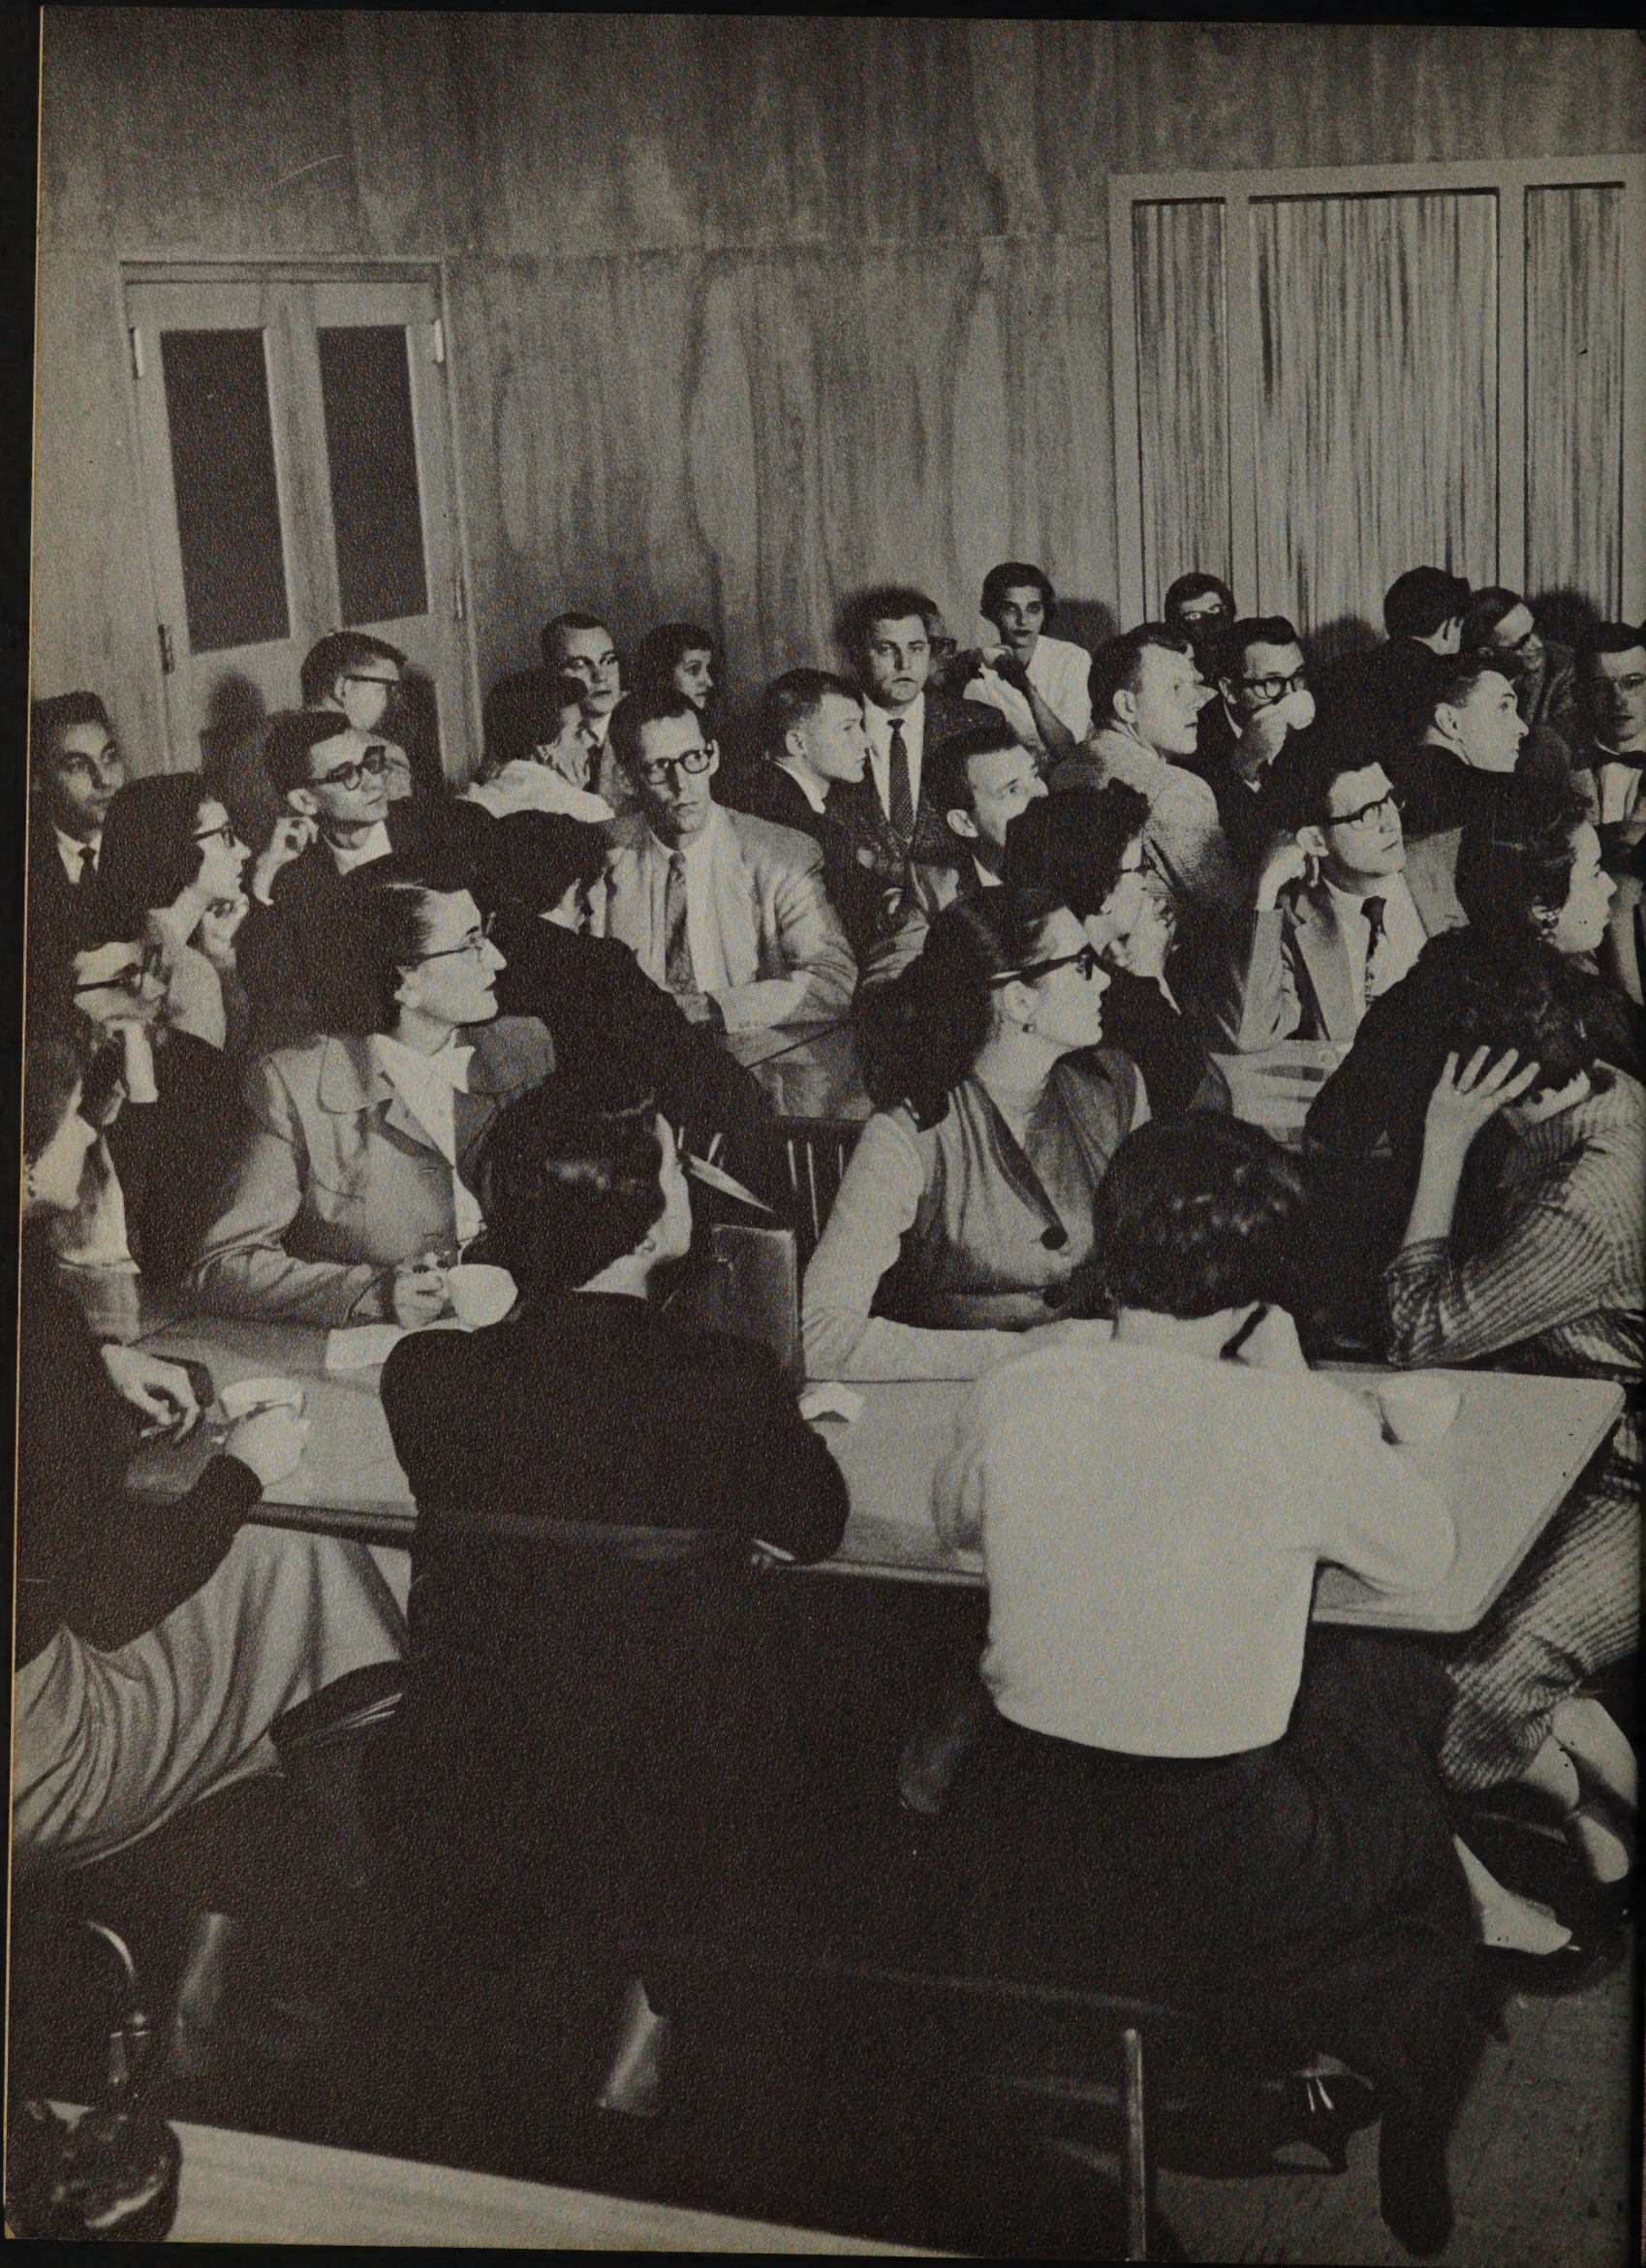

Mr. William C. Harris, Superintendent, takes time from his busy day to explain some of the aims and future plans for our school, our student body, and our community.

Administrative Assistant, Mr. Fred Bailey, assists Mr. Harris with the many administrative duties.

## And Our Administrators---

Mr. Harold Oatley, Assistant Principal, and Mrs. Ruth Hodges, Secretary to the Assistant Principal, discuss attendance procedures and policies.

## The Men Who Guide And Supervise Our Aims, Our Aspirations---

Mr. James J. Balten, Principal, conducts a meeting with his faculty. Tuesday afternoon meetings are arranged for the purpose of bringing together administrators and faculty to discuss current modes, trends, and needs in education today.

In a pleasant office near the end of the administration wing, the Board of Education staff works steadily as we attend classes. Not many students in APHS have the opportunity to see Mr. Harris' office staff in action, nevertheless, they are performing an important function in the Allen Park School System. The staff members and their duties include Mrs. Mildred Matul (Bookkeeping), Mrs. Irene Roach (Switchboard), Mrs. Margaret Hargrave (Certification), and Mrs. Patricia Roach (Payroll-Secretary).

## Working Together With Faculty And Staff,

School nurse, Mrs. Lupper, and psychologist, Mr. Walter Luke, deal with the physical and mental problems of the students which cannot be handled by the academic instructors.

## Students And Parents ---

Mrs. Helen Wickert, Secretary to the Principal, Miss Nancy Bartok, Bookkeeper, and Mr. Balten confer on matters of student records and graduation.

# SCIENCE DEPARTMENT

Investigating this world of ours in the science department with its instructors Miss May, Mr. Runnals, (standing) Mr. Miller, Mr. Donigian, Mr. Barrich, Mr. Sutherland, Mr. Walsh, and Mr. Whalin.

Charts aid Mr. Donigian in explaining to Marie Buczek the nature of our earth.

**Furthering Our Interests, Our Goals,**

**Helping Us To Discover Ourselves, Our World---**

## And The Men And Women Who Maintain Our School

Michael Crupi keeps the boys' locker room in order.

Planning for tasty, well-rounded meals is the duty of the cafeteria staff.

In the hands of Willis Ludtke, chief custodian, lies the maintenance of our school.

Custodians Fred Bergman, Michael Crupi, and Willis Ludtke take a moment to relax with coffee.

The end of the school day means the beginning of work for custodians such as Joe Gruczyk who remove all signs of the hundreds of feet that have passed through the halls during the day.

The curriculum committee, which is composed of department heads and is managed by Mr. Oatley, meets to plan for a better curriculum with the best subjects and methods to offer. Committee members are Mr. Greggs, Mr. Oatley, Mr. Runnals, Mr. Randall, Mr. Miller, and Mr. Durfee. Mrs. Sharland, another member, is not present.

Left to Right; Mr. Ferdon, Mr. Fairall, Miss Hoffman, Miss Brown, Miss Smith, Mr. Zettleman, Mr. Mihatsch.

**Ours---**

An unpleasant task, but Karol McGahey smiles as Miss Hoffman directs her in changing a tire, an important part in learning how to drive.

## **A Curriculum That Encourages Family And Community Education---**

Mr. Mihatsch observes Bob Stramy's paper work in architectural drafting.

Student librarians aid Mrs. Keppen  
in checking books in and out of  
the library.

**Here, A World Of Ideas,**

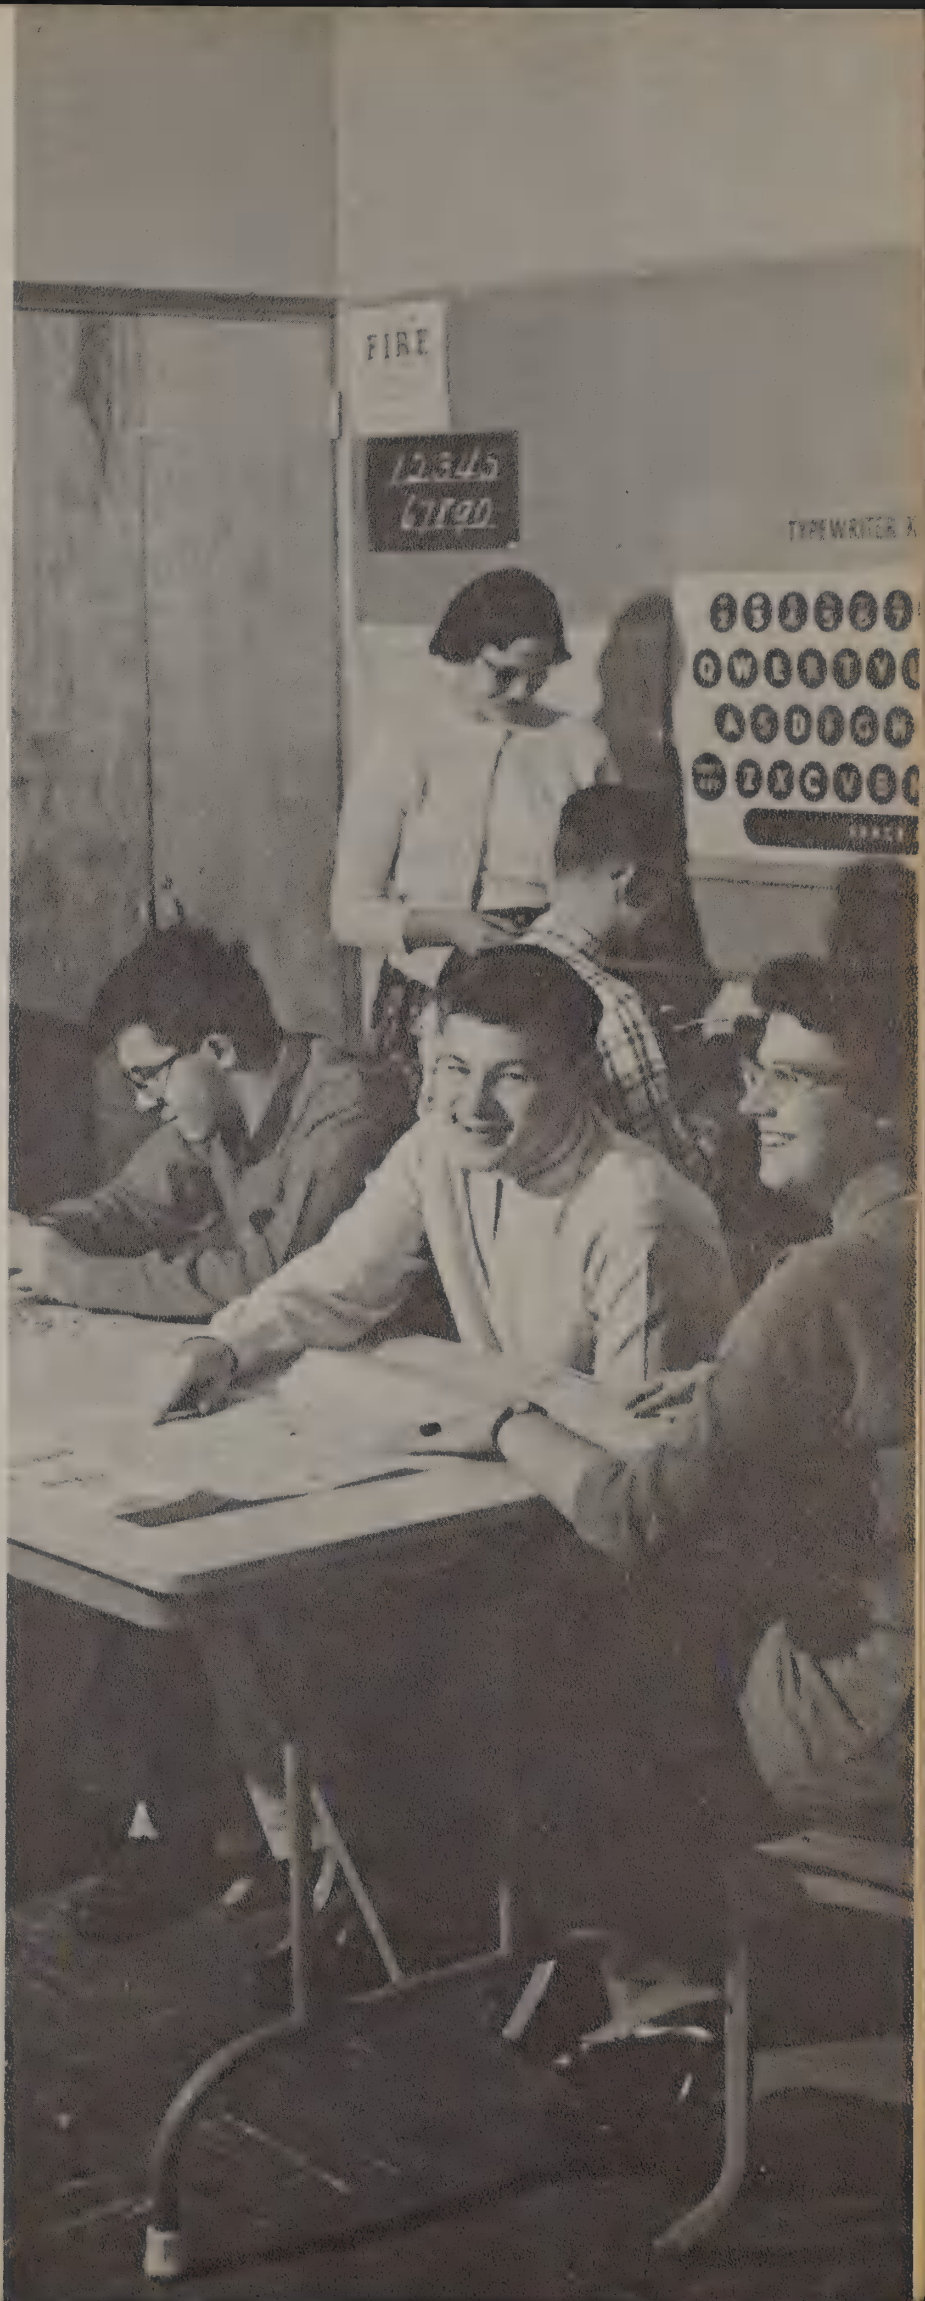

Mrs. Amy Keppen, Librarian, spends many hours reviewing and ordering new books for our library.

## Of Knowledge---

Miss Shirley Amrhein, Special Education Services, works with students on the mastery of skills and expression.

Our physical education department: Mr. George Dyas, Mr. Patrick Clysdale, Mr. Robert Tomes, Miss Barbara Brown, Miss Barbara Kraker, Miss Agnes Smith.

Adult education classes for various and sundry interests are offered by Allen Park High School throughout the school year. Miss Barbara Kraker, Physical Education Department, instructs an adult class in the techniques of swimming.

**Our Facilities And Instruction Bring Together  
The Community, The Family, The School---**

We will always remember the social studies teachers who have taught us about our nation and others. Instructing us from the basics of World Geography through United States history and world problems are Miss Harms (seated), Mr. Hershberger, Mr. Raebe, Mr. Greggs, Mr. Woelfle, Miss Buschman, Mr. Ehlhardt, Mr. Riordan, Mr. Bellas, and Mr. Mitek.

**And The World Of People And Places Is Made  
One With Ours, Where Teachers And Students  
Plan Together, Work Together---**

Seeking help, students Mary Ann Joseph and John Fellows come to Miss Buschman to have answered any questions they might have.

Mr. Wright helps students Bill Menard and Lorraine Federick to reach a better understanding of what they have learned.

Sophomores shout out cheers at a pep assembly.

## And There Are The Memorable Events---

The Spinster Hop was a big night for the girls who treated their favorite fellows to a dance and a midnight dinner.

Cothurnus, the Mask of Tragedy, sets the scene in Aria Da Capo, a one-act play which illustrates the differences between comedy and tragedy.

Half-time shows at football games featured drum major, Wayne Paull, expertly showing his skill with the baton.

Mr. Mitchell's look of satisfaction tells the band that they've done O. K.

Welcoming us to pep assemblies are the peppy march tunes played by the band. As they lead us in our fight song, our spirits are rallied on to victory.

**Our Music Department---**

**State-Wide Honors Have Brought**

Preparing for a concert is a full time job, as vocal music instructor Mr. Dyer can tell you, as he runs through some numbers with the Robed Choir.

**Us Acclaim And Opportunities---**

## Our English Department---

Standing: Mr. Gilligan, Bonnie Burns (student), Mrs. Knippenburg,  
Donna Roach (student), Miss Tharp, Miss Sutton, Miss Chambers

Miss Sutton is glad to give a helping hand to students with question.

## The People Who Encourage Our Thinking, Our Expression---

LEFT TO RIGHT: Mrs. Patricia Brill, Mr. Allan Bullion, Mrs. Wilma Reed, Miss Virginia Sarli, Mr. John Clancy, Mr. Gale Randall.

The Languages are necessary and helpful courses to college prep. students. They bring us closer to the nations we will have to live with, work with, and do business with in the years to come. Instructors, Miss Randall, Miss Kotelly, Miss Booth, and Miss Hoffman, guide us through the three languages most necessary and in demand

**Foreign Languages Bring Us Closer Together**

**With Other Nations, Other Civilizations---**

LEFT TO RIGHT: Douglas Merrithew, Louis Matuszkiewicz, Frank Barbarich, Sue Jetton, Chuck Balagna, Bob Bardoni, Gloria McMann

## Personal Guidance And Counseling---Another Of

Familiar to us are the counselors who always have a solution to our problems. They are Mr. Walsh, Mr. Bialowicz, Mr. Atkins, Mr. Mettler, Mrs. Betz, Mrs. Prescott, and Miss Irons.

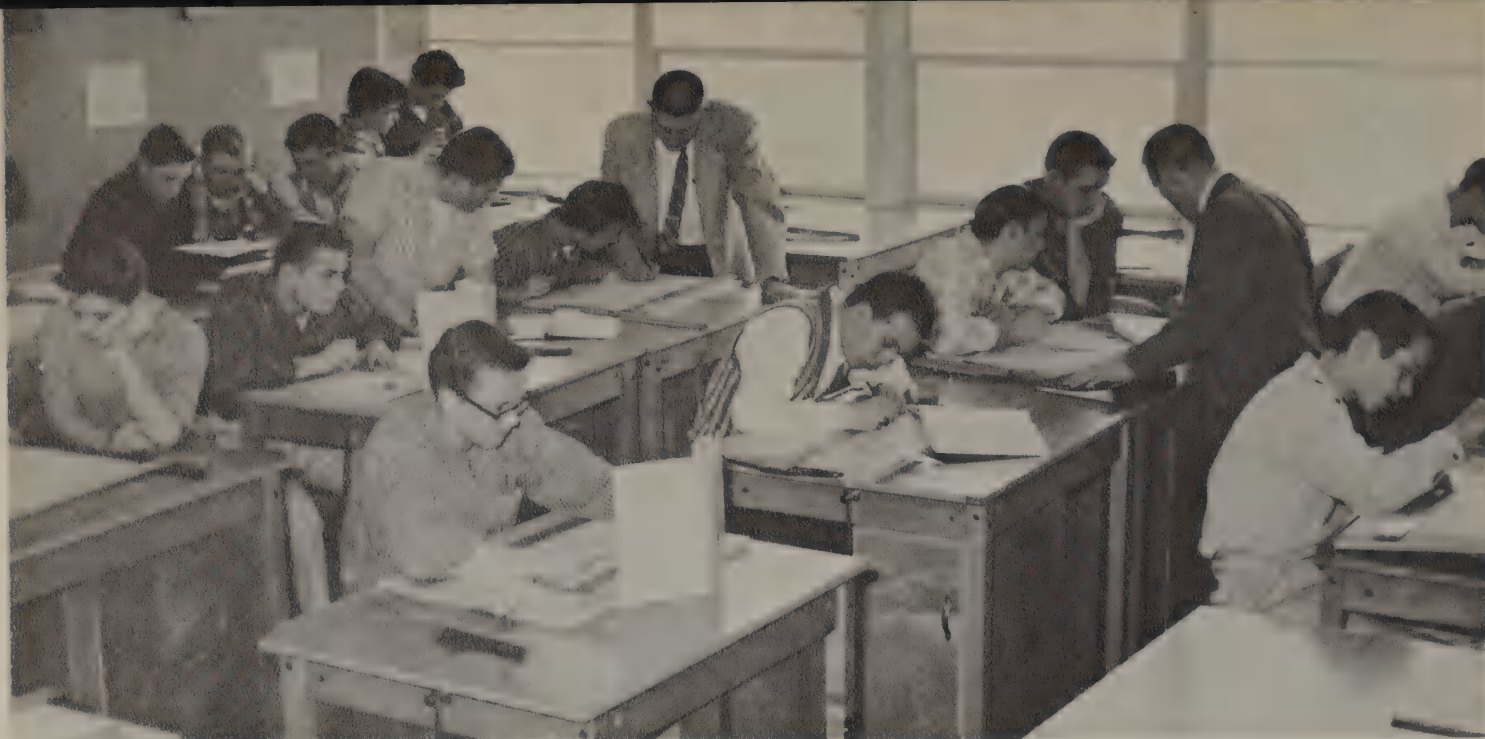

LEFT TO RIGHT: Tom Flanagan, Don Dömbe, Jerry Layne, Bob Cione, Charles Holloway, Mrs. Tarry.

## The Many Services For Individual Needs---

Mrs. Cocking instructs some girls in sewing, an art which should be quite valuable to the girls in the future.

Mr. Smith and Mr. Mihatch examine the work of our future engineers and architects in the mechanical drawing classes.

Auto-mechanics classes provide an opportunity to put to practical uses the knowledge of machinacally inclined students. Harry Cloke, Jim Adaline, Bob Smiley, Denny McClure, Steve Kalaczy, and Bart Caselli look on as Mr. Durfee adjusts a distributor.

In wood shop boys develop their skills in using wood to make useful objects for the home.

## The Practical Arts---

Mr. Walker and Mr. Zittleman look on as Brian Mosley files a hammer handle. The skill of making tools is one of many taught in metal shop classes.

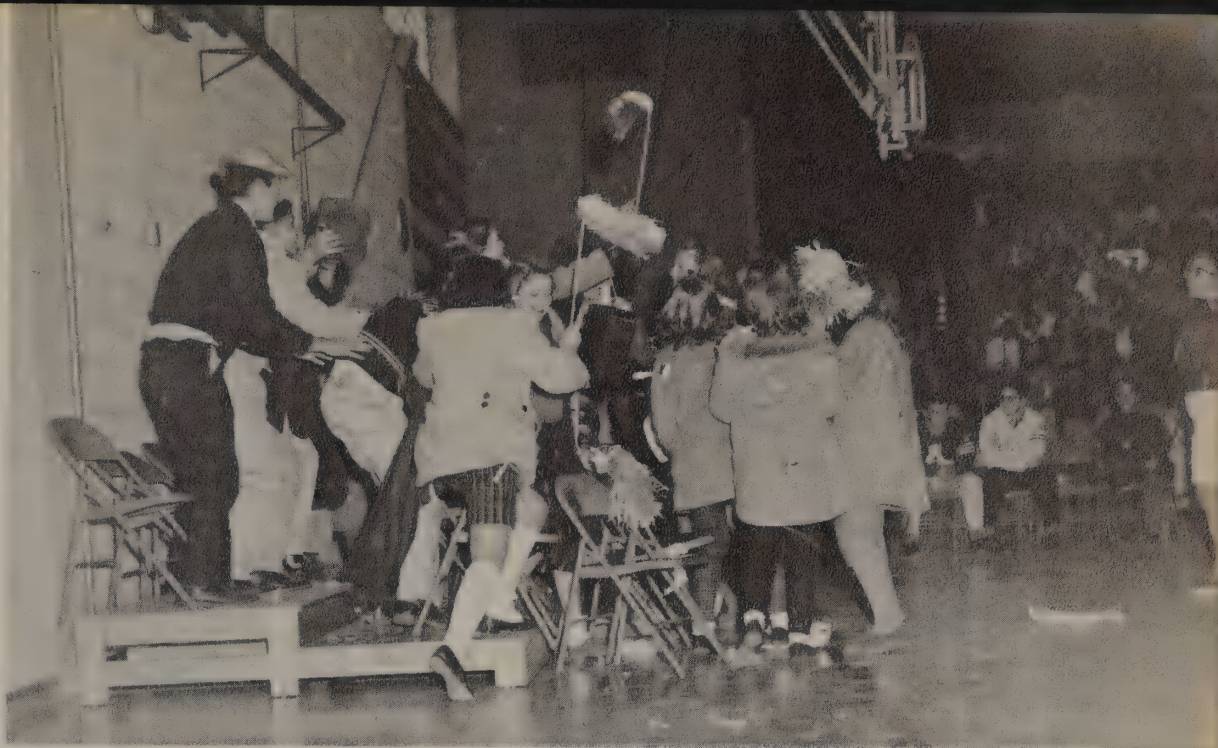

Jan Milord, as the grafting Mayor Cargan, looks on as Bob Watson, portraying his hired gunman, Lou Max, holds a gun on Doug Doty, as Peters the Hermit, in an intense scene in the senior play, Seven Keys to Baldpate. On the 5th and 6th of December, 1957, after a little over a month of constant nightly rehearsals, the senior classes of 1958 presented their play twice to full houses on each night. A melodramatic farce about strange goings-on in a summer hotel in the middle of winter, Seven Keys to Baldpate was two and one-half hours of sheer enjoyment as indicated by the wonderful response of the audience.

The Dramatics Club skits added lively humor to pep assemblies. Their first, pictured here, depicts a cheerleader's impression of a good football game.

Miss Sebastian illustrates art techniques to her students.

**Our Interests And Talents Find Expression---**

## Activities Provide Relaxation---

## Our Mathematics Department---

Guiding us through the world of mathematics are instructors  
(standing) Mr. Stallings, Miss Richardson, Miss Tufer, Mr. Feron,  
Mr. Darmody, Mr. Lockhart, Mr. Atkins, (seated) Mrs. Filson, Miss  
Iverson.

Mrs. Sharland instructs student Judy Mehoe in the use of office machines.

Mr. Lloyd Daniels discusses with Pat Pishko, A.P.H.S. senior new methods and trends in business education.

In Business---

In All Phases Of Life---

**These Years, These People, These Happenings  
Will Long Be Remembered---**

Seniors get together in basements for informal parties.

Closing our junior year we waited for the train that would take us on the traditional Washington trip.

The two sides of the senior play; backstage. . .how the cast and crew see it; on stage, how the audience sees it.

## BOOSTER CLUB

## VARSITY CLUB

### And Our Athletes---

The Varsity Club is an organization of our athletes. To be asked to join, a boy must have a varsity letter in at least one sport. When entering the club the boys go through a stiff initiation of humiliation and service under the old members. This year's officers for the Varsity Club are Bill Matakas, president; Denny Vereb, vice-president; Jim Lisk, secretary; and Frank Panisko, treasurer.

## *what next?*

It's a pretty important decision, young lady — choosing the right job. You'll want to work in pleasant surroundings — in light and airy offices with modern equipment.

And now that you're out of school, you'll expect to meet new friends where you work — young people you'll like and with whom you can enjoy your leisure time. (And how about a vacation with pay?)

Then there's the matter of a paycheck—it'll be nice to count on a steady income, a salary that's good from the start and keeps getting better with regular increases.

There's a job like this waiting for *you* at the telephone company!

You might want to be a telephone operator or a teller, a cashier or a clerk — those are just some of the many interesting jobs Michigan Bell has for bright young high school graduates like yourself. And there's a chance to advance in all of them.

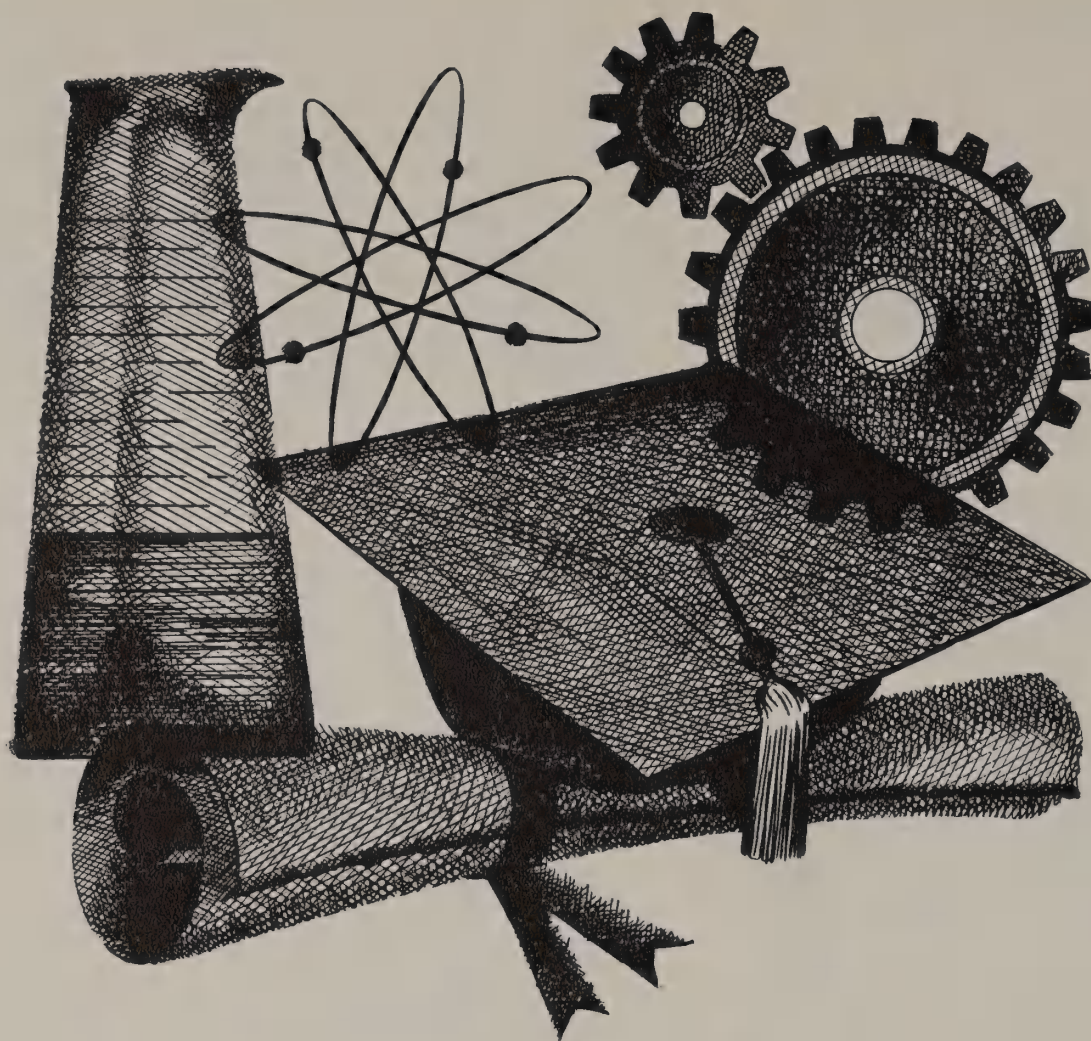

You don't need experience to get a telephone job, and you'll earn a good salary, even while you're learning.

***What next?*** Why not visit Michigan Bell's Employment Office? We'll be looking for you!

## WAY TO BETTER LIVING

Learning provides a key to the spiritual and material riches of the world. Through learning, science and industry have combined to bring new convenience, new benefits and a new measure of leisure into our lives.

In this evolution electricity has played a leading part.

In the years to come you will live still better electrically for greater things are in store. But it will take ever higher standards of learning to win them.

Good luck to you in helping to make the dreams of today the realities of tomorrow.

Tired feet give their arches a rest after being propped up all day on fancy shoes.

The "number-one" privilege of the senior, eating at the senior table!

The long awaited day has arrived when your graduation diploma is finally put in your hands.

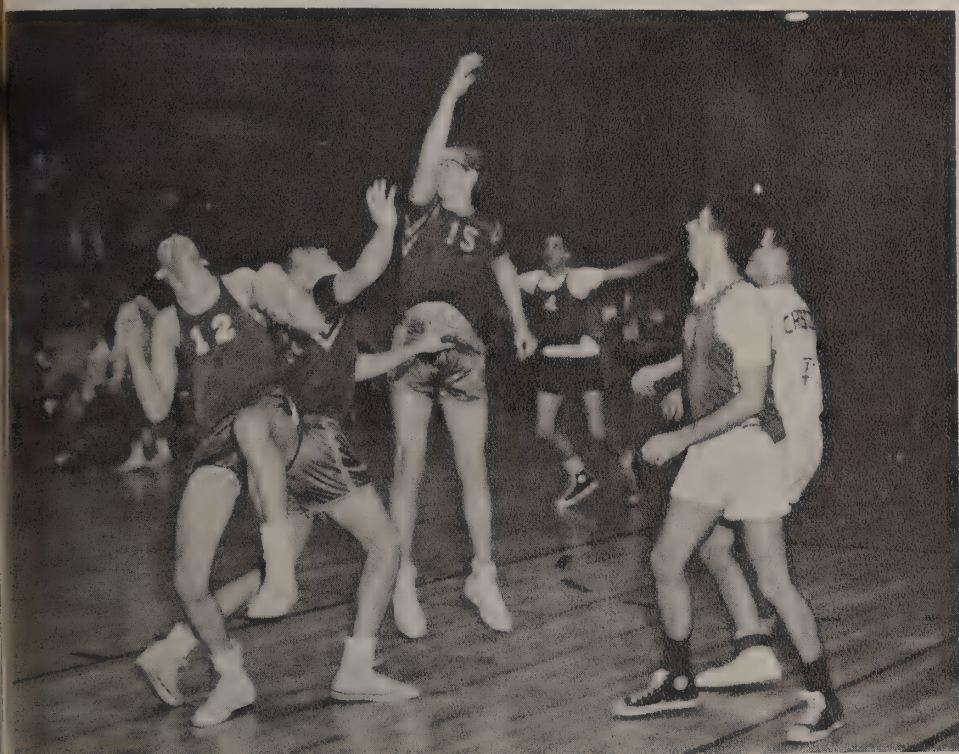

Although the seniors didn't win, the girls enjoyed dressing up for the traditional senior-faculty basketball game.

Students study a dissected cat in advanced biology . . . pretty sickening, huh?

The Crescendos face the faculty in the annual senior-faculty game.

Seniors get together at private parties to dance and chat about coming graduation.

Mr. Harris gives the seniors a farewell address at graduation.

The apple-machine, introduced at the beginning of this school year, has certainly made a hit at A.P.H.S.
